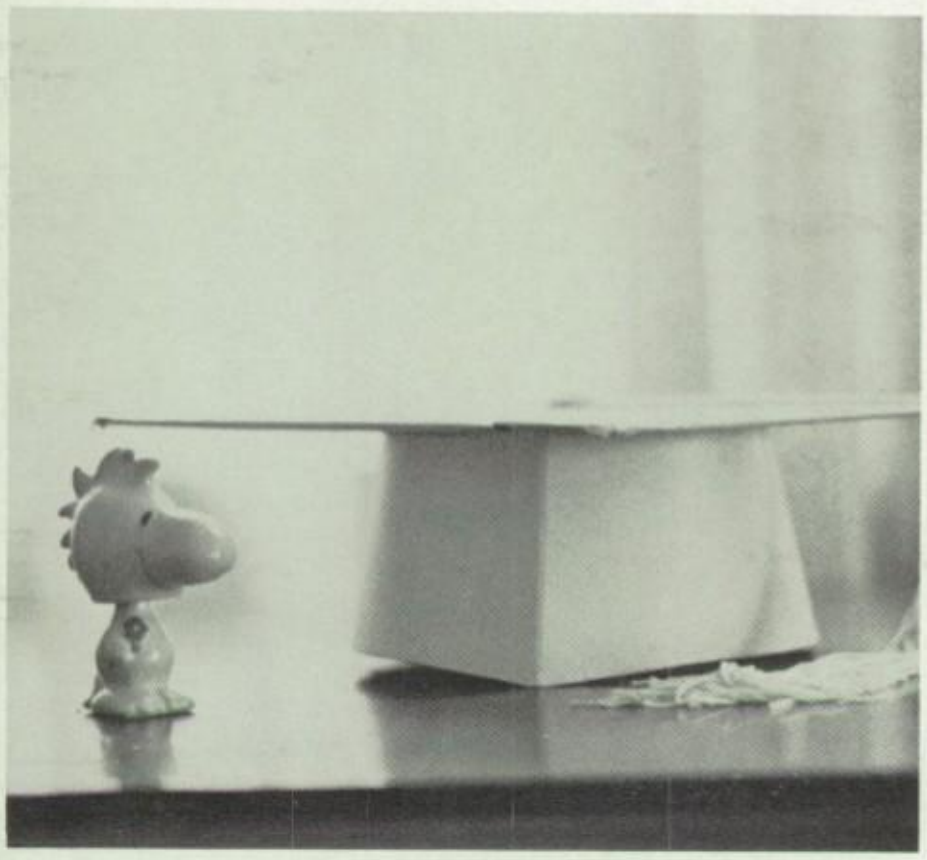
Triumph

The Shape of Things to Come



The basis for triumph comes from a well rooted goal, a longing to attain a desired state. A goal is something for which an effort is made. To be triumphant is the realization that an aim was reached. Hard work and confidence in oneself are important factors in reaching that goal. Sometimes a goal may be higher than one may consider herself capable of reaching. It is this aspect of the goal that drives a person to work harder, believing they can reach success because of their self-confidence. This is a part of triumph that makes it so glorious — knowing that you worked for it and made it happen.

Realizing your limitations in life is also important. Accepting your God-given talents and utilizing them is a goal in itself. A TRIUMPH IS A PERSONAL THING STEMMING FROM WITHIN. AT ONE TIME IT WAS ONLY A THOUGHT OR DESIRE, BUT WITH EFFORT AND PERSEVERENCE IT BECOMES A REALITY — THE SHAPE OF THINGS TO COME.

On The Road Of Experience

I'm Trying To Find My Own Way

Sometimes I Wish That I Could Fly Away

When I Think That I'm Moving,
Suddenly Things Stand Still

I'm
Afraid
'Cause
I
Think
They
Always
Will

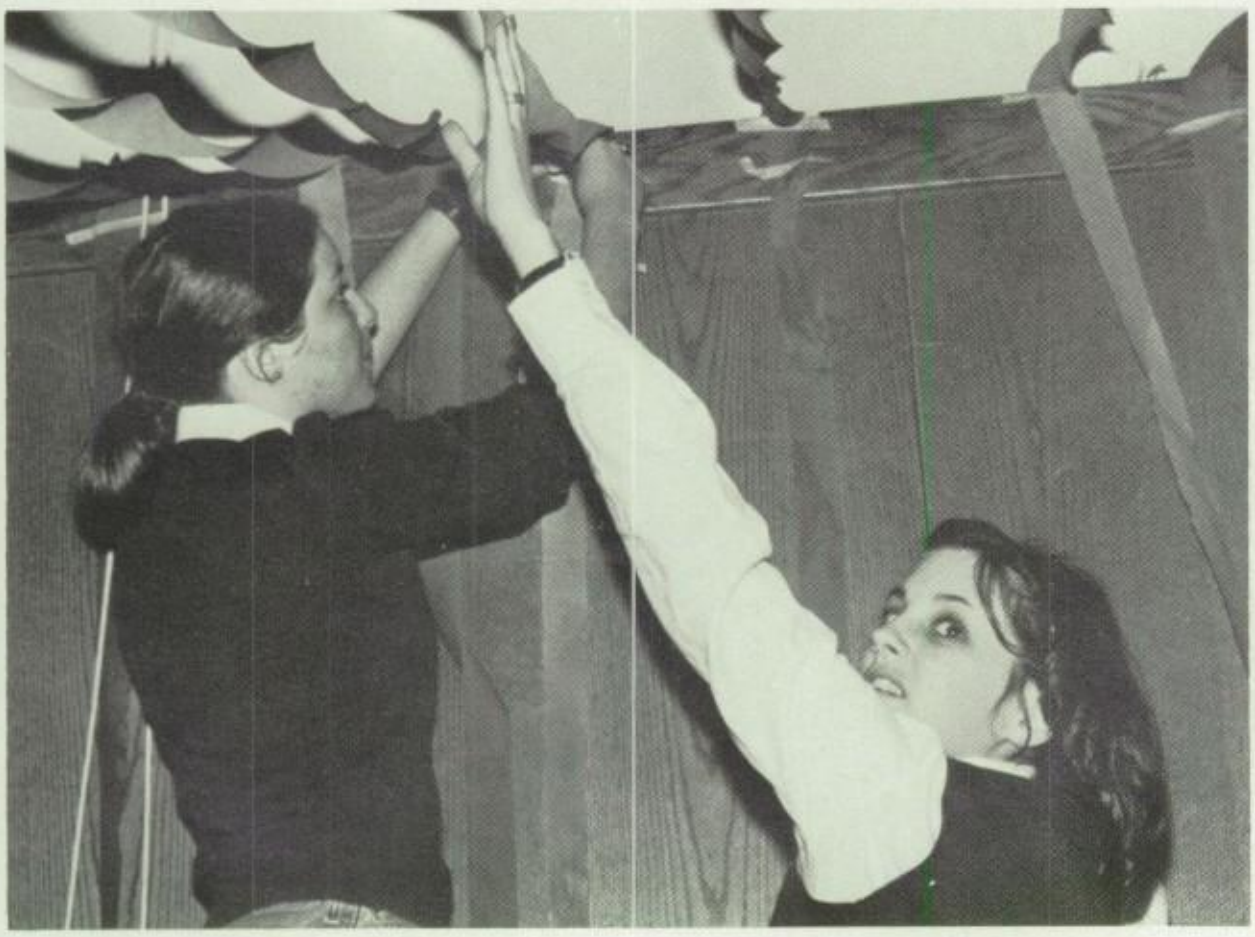
And I'm Looking For Space

Just To Find Out Who I Am

And
I'm
Looking
To
Know
And
Understand

It's A Sweet Sweet Dream

Sometimes I'm Almost There
Sometimes I Fly Like An Eagle



And
Sometimes
I'm
Deep
In
Despair

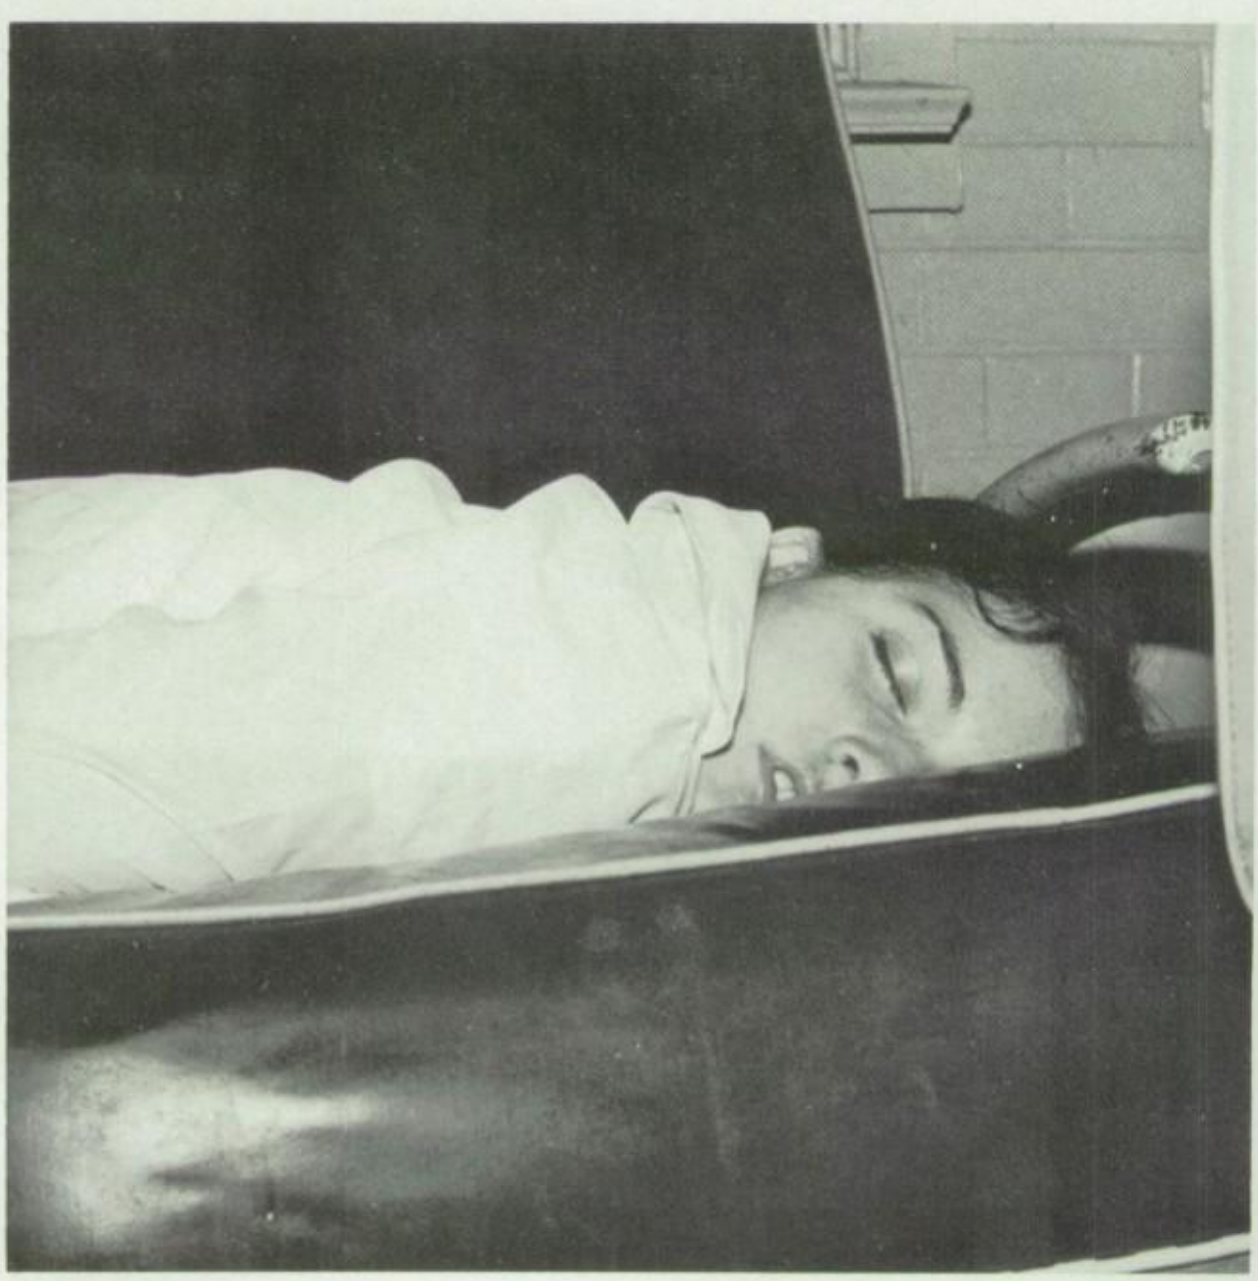
Tracy—

Good luck in all your adventures that are yet to come. May I see your name on some great artwork in years to come. You've got lots of talent—USE IT! Let me know how you're getting along in good old N.Y.

My love & prayers go with you—

S. Janet

All Alone In The Universe
Sometimes That's How It Seems
I Get Lost In The Sadness And The Screams

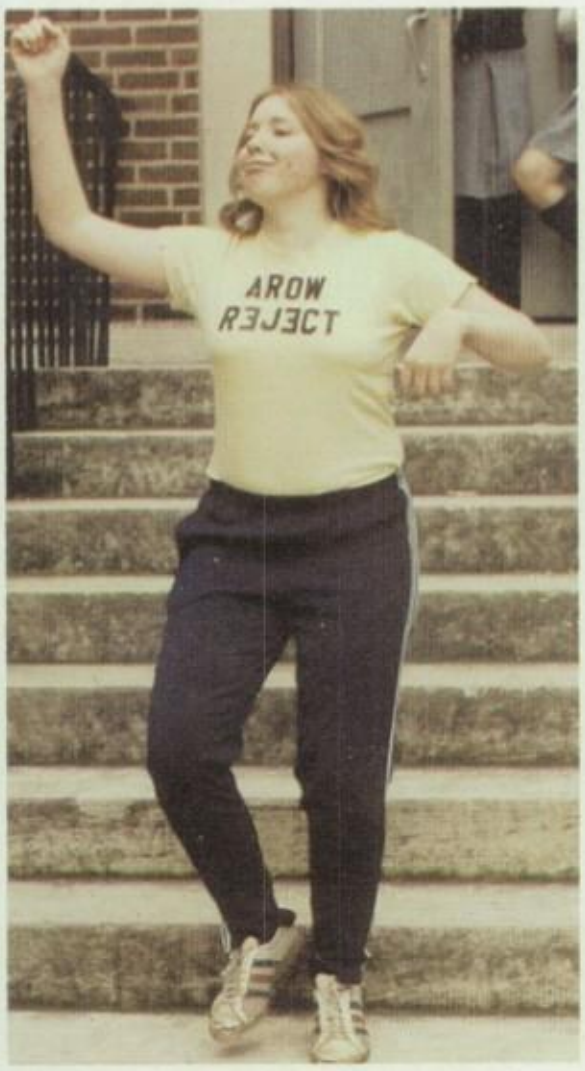


Then I Look In The Center
Suddenly Everything's Clear

I
Find
Myself
In
The
Sunshine
And
My
Dreams

On The Road Of Experience

Join In The Living Day



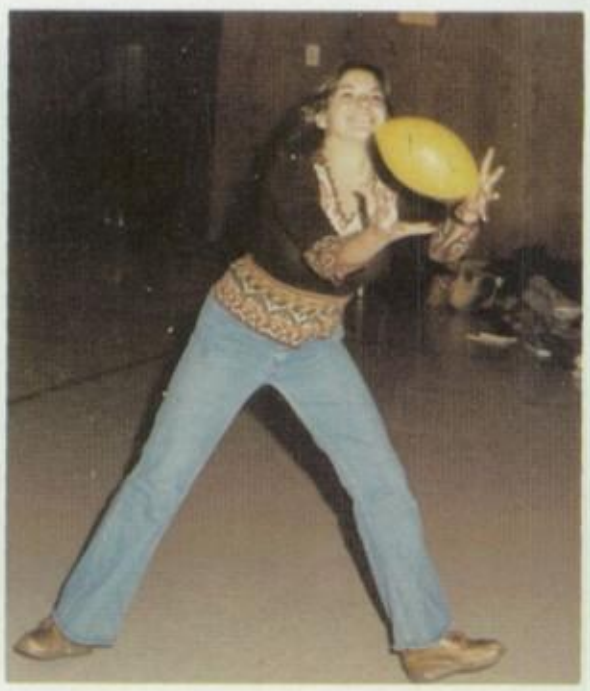
If
There's
An
Answer
It's
Just
That
It's
Just
That
Way

When You're Looking For Space

And To Find Out Who You Are

When You're Looking To Try And Reach The Stars

It's A Sweet, Sweet Dream
Sometimes I'm Almost There
Sometimes I Fly Like An Eagle



And
Sometimes
I'm
Deep
In
Despair

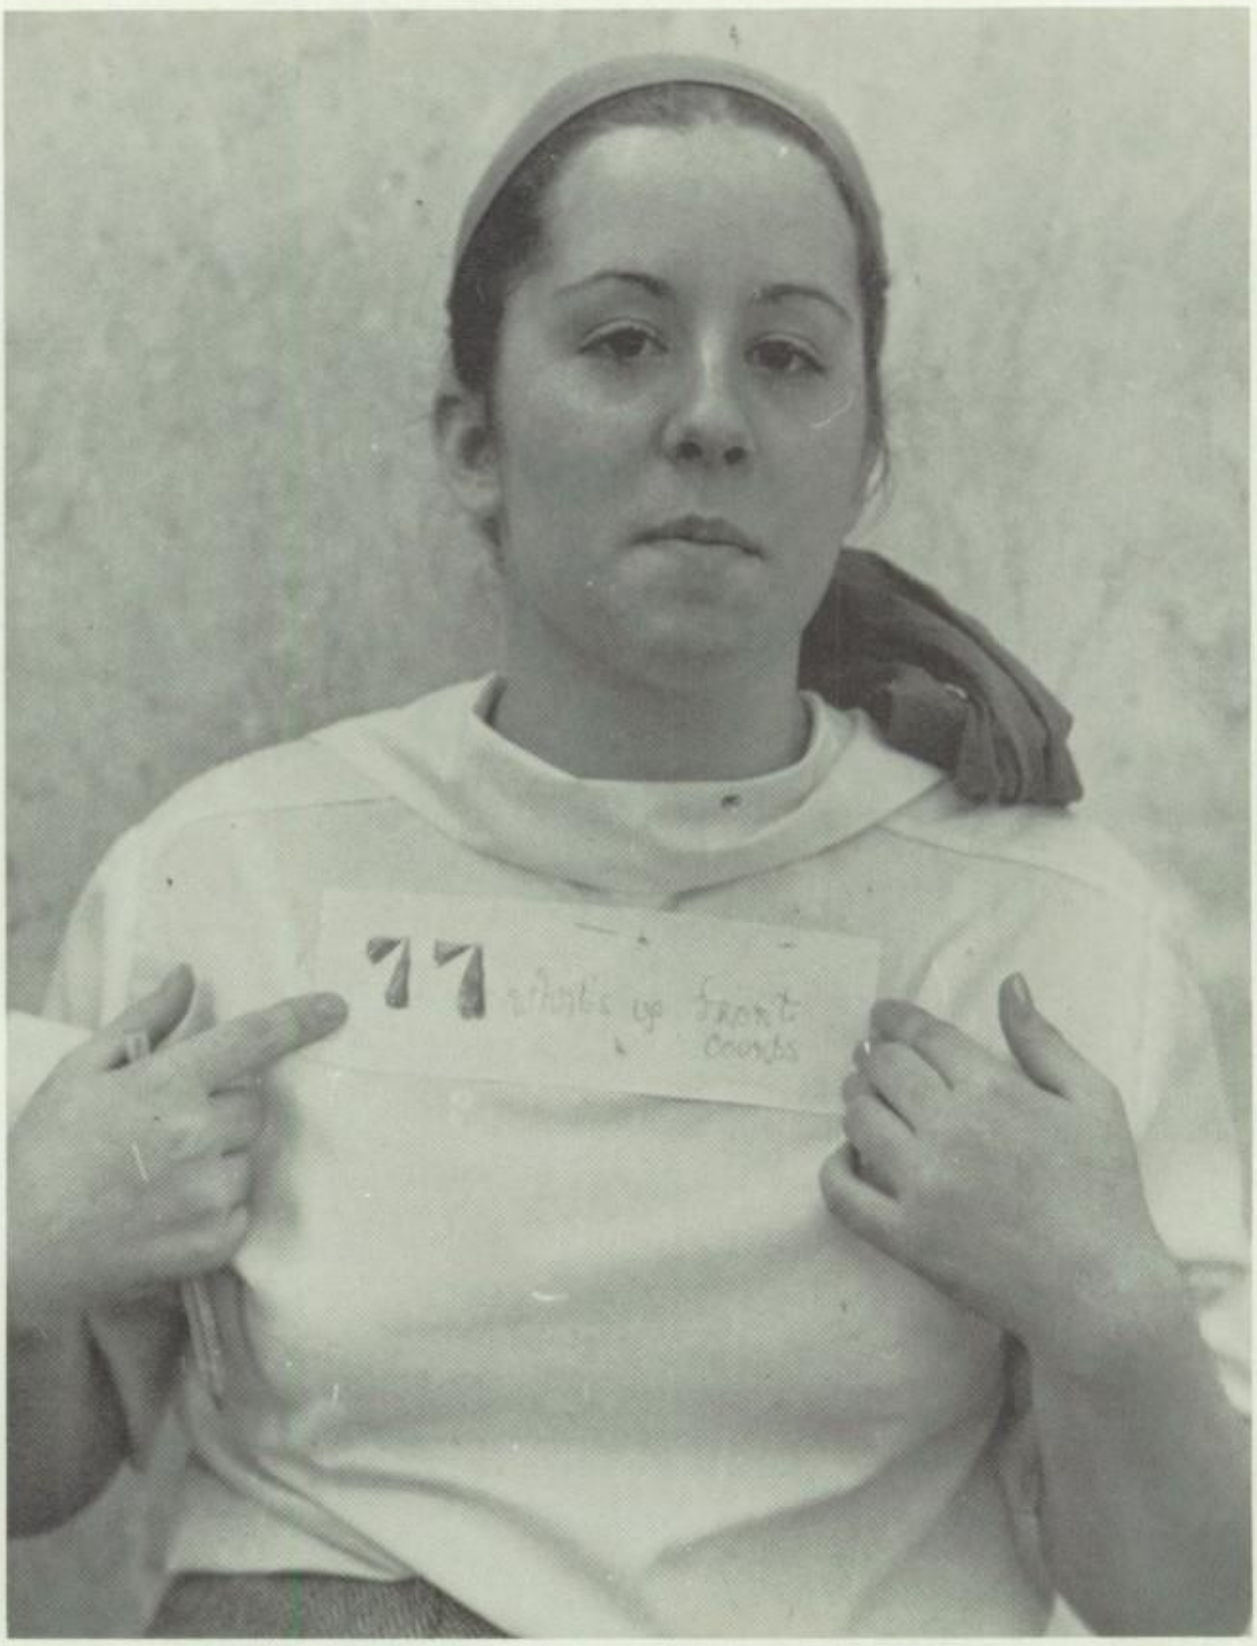
You asked for it — you got it.



Could this be our vice president?

Four-score and seven years ago . . .

Oh. I get it!

Nothing lasts longer than happy memories.

Every experience brings a growth. But an unpondered experience is worth none at all.

The present is the past rolled up for action — the past is the present unrolled for understanding.

". . . if I could understand what you are, root and all, and all in all, I should know what God and man is."

Over 70 Machines in our Two Training Centers.
The Nautilus Machines are unquestionably the finest, most advanced equipment we've ever seen. We have been using these machines at St. Edward High School for 3 years now and have personally witnessed some phenomenal results. It is for this reason that we have brought these machines to our Center in Rocky River last December and have now opened our second Center in Parma. The proper use of the Nautilus machines will produce RESULTS not DREAMS. We are not a health spa . . . We do not want lifetime memberships . . . We want results. Our Nautilus has complete separate facilities for men and women. We believe that the North Eastern Ohio Area has the highest concentration of outstanding athletes in the country, several of which we have on our Training Staff. We hope you will take advantage of the Nautilus machines and our training instructions.

Nothing Gold Can Stay

Nature's first green is gold,
Her hardest hue to hold.
Her early leaf's a flower;
But only so an hour,
Then leaf subsides to leaf.
So Eden sank to grief,
So dawn goes down to day.
Nothing gold can stay.
